Help Needed!

Please take a few moments to decide where your help will enable the 24th Kitchener Scouting Family to have all the fun and excitement we possibly can in this upcoming Scouting year.

We need over 140 ADULTS to complete over 80 different tasks on this list. Some of the positions are already filled. The positions that are not checked off still require more help.

You are required to volunteer for a minimum of 2 tasks. Simply check off the box beside the ones that interest you. Return this form on Registration Night with your registration form. You will be asked for this completed form!

The more help we have – the more fun we will all have!

Please put your name and Phone Number here...
