

The Murray Fried Memorial Scouting Award

Murray Fried had an outstanding influence on youth in North Waterloo through Scouting and minor hockey. Murray believed that the Scouting program can, and does, make a positive difference in the lives of youth leading to wise choices and careers as adults. Long after Murray ended his 'scouting career' as an active leader with the 11th Kitchener Group, he remained a highly respected mentor, advisor and representative of Scouting throughout the remainder of his life.

It is this aspect of Murray's tremendous influence that we honor him with this award. It will be presented annually to an individual in recognition of a continuing contribution to Scouting after, or beyond, his/her 'normal' term as a leader or volunteer.

In other words, recipients of this award are recognized for their continuing work in making a lasting difference in the lives of our youth.
