Roger Farnham – 24th Kitchener

Roger Farnham has been involved in Scouting for as long as some of us can remember. Actually, he is North Waterloo's elder statesman as he is the oldest active member and has the most years of service. Being almost 76 years young, Roger sets the bar high for the rest of us young bucks. Roger has worn many hats, and still hesitates to take some of those off. He has been Vice Chair and Chair of 24th Kitchener Scouting Group, a 24th Kitchener Pack Leader, Popcorn and Apple Day Coordinator, avid attendee at 24th Kitchener camps and also involved in Christmas Tree Fundraising. Roger has also been a member of District Council and a volunteer at the Scout Shop. So without a doubt, Roger Farnham is definitely known as dependable, hardworking, and committed and a knowledgeable "go to person". As Roger begins to scale back his level of commitment it becomes even more apparent how instrumental he has been in the growth and success of not only 24th Kitchener Scouting Group, but in North Waterloo District as well. We are fortunate to have learned from and can continue to learn from such a good Scouting Soul. For Roger Farnham's continuous long service to the youth and to Scouting, we are pleased to present him with the **Silver Acorn**.
